

**Craig Coleman** | President

## Professional Background:

Co-founded Coastal Payroll after spending 8 years in accounting and management consulting at Ernst and Young. Began his career in Washington D.C. and transferred to sunny San Diego in 2001. Since 2007, Craig has helped lead the team at Coastal Payroll with primary responsibility for managing operations and delivering world class customer service to clients.

## Key Strengths:

Project management, loves to learn and develop others, problem solver, ability to 'stay cool' in the face of challenges

## Milestones:

- Obtained CPA license in 2000
- Promoted to Senior Manager at Ernst and Young in 2006
- Co-founded Coastal Payroll in 2007
- Board member & Vice President of the Independent Payroll Providers Association

## Personal notes:

Craig enjoys spending weekends with his growing family, loves motivational quotes and learning about successful people and businesses. He is also an avid golfer and currently training for a half marathon.

*"Things turn out best for the people who make the best of the way things turn out."*
